I. Attendance
II. Call to order at 4:31pm
III. Welcome
IV. Old Business
   a. None
V. New Business
   a. T-shirt order
      i. Wanting t-shirts over polos
      ii. ASBSU, assembly, not assembly member
   b. Committee Update
      i. On-campus
         1. Has not met yet
      ii. Off-campus
         1. Transportation (permit prices and re-zoning), shuttles to and from garages, pedestrian walk-ways (how to enforce??)
   iii. General affairs
      1. Goals: connect to student body more, invite club leaders to their meetings
      2. Want to change: increase education on sexual assault
         a. Find out resources available
         b. Work with it’s on us
         c. Educate
   iv. PR
      1. Work and send their information to the Arbiter to increase to transparency
      2. Social media pages??
         a. Get in contact with Nick Propp
   c. Nicole Nimmons
      i. Transportation and parking
         1. Prices for permits come from supply and demand
            a. Where there was the highest demand, that’s where the prices were raised
               i. Even still there is a waitlist for those spaces
         2. Have less than 8,000 parking spaces
3. the old system didn’t balance itself out and that’s why they have re-zoned the lots
4. will provide FREE parking for your club or organization if you give them two weeks notice of your event
5. Services they offer:
   a. Enterprise Car Share
      i. $5 an hour membership program
   b. Boise Green Bike Share
   c. Ride Share/ Carpool
   d. Campus Shuttle
      i. There is an app to track the shuttle system and find out where they currently are
6. Contact: 208-426-PARK or parkingquestions@boisestate.edu
d. Women’s Center Sponsorship of a movie (Pink Ribbons Inc.) coming up
   i. Background of how the Breast Cancer movement was started and how it was about thinking critically about the causes and what they can do for awareness or screenings
      1. Acknowledges that a lot of companies are putting the pink ribbon on their products that aren’t donating back or are actually cancer causing products
   ii. In addition to the meeting they want to include a discussion portion
   iii. The movie is October 27th
   iv. They are not asking for financial co-sponsorship, but rather a molding process of what they want to include following the movie (discussion, etc).
   v. Assembly discussion on co-sponsorship:
      1. Depends on the way it is advertised
      2. It’s important to show both sides of the coin and start that discussion
      3. Josh motioned to vote, Jamie seconded
      4. 15 approved, 0 opposed, 1 abstained
e. Brian Jackson Telescope Project
   i. Crowd funding campaign called pony up
      1. ponyup.boisestate.edu
      2. They are asking for additional $2,000 above and beyond their goal to set-up WiFi in the observatory (located on top of Education building)
      3. Contact Brian at: astrojack.com
