**III. Qualifications and Declaration of Candidacy**

A. **Qualifications**
   1. To be included on the ballot and to qualify for election, a Candidate must be a full-fee-paying student at the University. A Candidate must be in good standing with the University. A Candidate must have a cumulative GPA of 2.5 or higher.
   2. Candidates for Executive Elections must be full-time students.

B. **Declaration**
   1. **Election Packets**
      a. Candidates will be required to turn in complete Election Packets by a certain date, as specified by the Election Manager and the packet itself, in order to be placed on the ballot.
      b. These packets include an application for candidacy, which requires at least the name, student ID number, contact info, and expected graduation date of a potential Candidate.
c. For Executive Elections, Candidates who do not meet this
deadline may still turn in a packet (which will not require
petition signatures) and campaign as a Write-In Candidate.

2. Candidates are encouraged, but not required, to attend an
informational meeting. Candidates are responsible for the content of
informational meetings even if they do not attend. These meeting
locations will be determined closer to the date.

3. All Candidates declare their candidacy individually, with the exception
of Candidates for President and Vice President who declare
candidacy jointly as an Executive Ticket.

4. To prove ze is a serious and viable Candidate, each Candidate will
ask Qualified Voters for a signature showing support for the
Candidate. This process is referred to as Petitioning. Student ID
number will verify all signatures by professional staff. The amount of
signatures required for each elected position is as follows:
   a. President & Vice President: 200 signatures (total)
   b. Assembly Speaker: 100 signatures
   c. Secretaries: 100 signatures

IV. Campaign Guidelines
A. The Election Manager can provide additional guidelines as long as they are
not in violation of this Code.

   A. Campaigning

         and cannot be regulated by ASBSU.
      2. Campaign Materials are required to be submitted to the Election
         Manager only when the materials use ASBSU supplies or funds.
         ASBSU-funded Campaign Materials may be censored if they are
discriminatory in nature based on Financial Code IV.C.1.
      3. No items of significant value may be distributed for the purpose of
         Campaigning. Clarifying example: A t-shirt, which promotes a
         Candidate or Team, does not have significant value; a computer with
         a sticker that promotes a Candidate or Team does have significant
         value.
      4. A Candidate may begin Campaigning once Election Packets have
         been made publicly available for the relevant election.
   B. Where to Campaign?
      1. Academic buildings: Campaigning is not acceptable in academic
         buildings. A candidate is permitted to promote his/her campaign in
         class with permission from their professor.
2. The respective departments will determine policies regarding the Student Union Building, Recreation Center, and University Housing. Documentation of these policies will be provided to Candidates in Election Packets.

3. Computer labs: No Campaigning. University computers may be used to prepare and print Campaign Materials.

4. ASBSU Meetings: Candidates will not announce or promote their candidacy or their intent to pursue candidacy during a meeting of any ASBSU Body.

   a. Amount of money spent, by the Candidate or by others, on Campaign Materials or for the purpose of Campaigning, and the specific expenditure (i.e. posters, candy).

4. Any proposed Constitutional revision or amendment will be clearly indicated on the ballot. It is at the discretion of the Constitutional Convention members to decide whether each change will appear as an independent voting issue or if changes will appear as one voting issue.
5. Any effort to falsify voting is subject to disciplinary procedures through the Student Ethics Committee and Elections Manager.
6. Qualified Voters may not allow someone else to vote for them by proxy. Any Candidate encouraging such behavior is in violation of Code.
7. If it is discovered that online voting has been altered or tampered with, the Election Manager or ASBSU President will take immediate action to correct the problem. If election results have been compromised, new dates for the Election will be set by the Executive Council.
8. If any Candidate is disqualified or resigns from office within one month of the conclusion of an Election, the Candidate with the next highest number of votes will assume office. If one member of an Executive Ticket is disqualified or resigns in this time frame, the entire Executive Ticket is removed from office and the Executive Ticket with the next highest number of votes will assume office.
