INTRODUCED BY: Jade Donnelly, Vice President

I. Purpose

The money allocated for this program will be used to provide housing for Project Dream for Tomorrow students who will be visiting Boise State University from across southern Idaho.

II. Rationale

For the past 2 years the planning committee for Project Dream for Tomorrow has approached ASBSU to assist in sponsoring housing for their event that is now in its 7th year on campus. This program hosts high school juniors and seniors from across southern Idaho at Boise State University for a two-day event that focuses on connecting, inspiring, and informing them about the opportunities that higher education has to offer. This program is supported by a variety of departments across campus but is still seeking support to fund housing and transportation. Sponsoring this traditional event is a positive contribution to Boise State as it allows high school students to experience campus life, engage and network with peers and mentors, and learn of the opportunities that higher education has to offer.
