I. Purpose

This bill provides for an allocation of $30 for a National Voter Registration Day Snapchat Filter which will include the ASBSU logo and a graphic clearly advertising National Voter Registration Day in the quad.

II. Rationale

ASBSU strongly encourages and desires students to be active in their community. Part of that mission is helping students know how and where to be involved. We encourage students to maximize their time at Boise State by being active or civically engaged inside and outside the classroom. National Voter Registration is an important process for students to participate in and have their voices heard in our community. To that end, ASBSU encourages students to publicize civic engagement to register students to vote on National Voter Registration Day, September 27th.

III. Provisions

A. Therefore, $30 will be paid for from the Sponsored Projects account.
