II. The meeting was held at 4:49 pm.

III. Caucus Chair Reports
   A. Engineering: The College is looking for more ways to get women involved. Dane suggested talk to Meridian Technical Charter High School.
   B. Heath Sciences: They are adding 2 more advance majors and 1 undergraduate degree. They are also considering adding a fee for clinicals.
   C. College of Business and Engineering: The Dean wanted feedback on how people like the student run café in the business building. Students gave positive feedback and like the options, quality, and location of the café.
   D. Multicultural Center announced that the Tunnel of Oppression is November 8-11; this is a great opportunity to attend or volunteer.
   E. Tasha Lundquist, representative for Racial and Ethnic Minorities, questioned if the concentrated populations had a formal place in the agenda like the Colleges do to provide updates. The importance for more opportunities and equality for underrepresented groups was discussed. Bryan mentioned that the Assembly is moving in the right direction with the addition of the concentrated populations, but this is clearly an issue that still needs addressed and offered to continue the conversation at a later time.

IV. New Business
   A. Bryan asked for opinions on how Homecoming went. Everyone really liked the sunglasses at the game and thought the discounted student food was awesome. One thing that students thought was that the funding through ASBSU could be clearer for the Homecoming money and that there could have been more materials to decorate golf carts.
V. Announcements
   A. Haunted Halls will take place in the Suites this next week.
   B. There is a Zombie Ball on Friday from 10pm-1am in the SUB with free food.
   C. The next meeting is November 6, 2012 at 4:45pm in Jordan A.
