TITLE: Seven Arrows Pow-Wow

DATE OF INTRODUCTION: TBD

INTRODUCED BY: Francisco Salinas, Director of Student Diversity and Inclusion

I. Purpose

To model and promote cultural inclusivity for our campus and our region through the conscious and deliberate decision to continuously work towards the creation of an accepting and nurturing campus climate where similarities and differences are respected, supported, and valued by ensuring the active participation of the entire campus community. In this instance, our strategy is to honor, celebrate and support the inclusion and growth of the Native American community through the hosting of the 27th annual Seven Arrows Pow-wow.

II. Rationale

Whereas, Boise State University sits on land that is known as the Great Basin Culture area which is the ancestral home of the Shoshone-Bannock and Northern Paiute tribes of North America since as far back as the Pleistocene Epoch, and;

Whereas, Boise State University believes that the practice of inclusivity is a conscious and deliberate decision to continuously work towards the creation of an accepting and nurturing campus climate where similarities and differences are respected, supported and valued by ensuring the active participation of the entire campus community, and;

Whereas, living up to the value of Inclusive Excellence means living up to an aspirational value of excellence which is achieved through a self-reflective and uncompromising commitment to the practice of inclusivity, which seeks to break free from implicit and limiting biases that reify exclusionary practices and intentionally works to replace dominant culture norms with a welcoming community that engages all of its diversity in the service of student engagement and organizational learning, and;
Whereas the Native-American community both on and off campus represents a community and culture whose presence we seek to welcome, celebrate, amplify, serve effectively and grow in and from about Boise State University, and;

Whereas the Associated Student Body of Boise State University is proud and positioned to lead the institution in this effort through its example of investing in the growth of such commitments and activity

TITLE: Spring Funds Reallocation

DATE OF INTRODUCTION: 1-17-18

INTRODUCED BY: Jackson Blackwell

Purpose

This bill provides a reallocation of the 2017-2018 student support budgets of ASBSU to better reflect and meet budget demands.

Rationale

In order to more effectively meet the needs of student body organizations, ASBSU Funding Board will reallocate all funds from the Joint Grant Account to the Direct and Individual accounts. Annually, the amounts in each account are set based off the demand in the prior year. However, 2017-2018 has experienced low interest in Joint Grants, leaving a surplus of unused funds. These funds would better serve the student population if used for Direct and Individual grant requests, where demand has completely depleted funds.

Provisions

a. The total amount ($13,565.24) from the Joint account (Department ID #8110.98600.4141046) will be moved to the Direct and Individual grant accounts.

b. $4,000 will be moved to the Individual grant account (Department ID #8100.98600.4141048.)

c. $9,565.24 will be moved to the Direct grant account (Department ID #8110.98600.4141047.)

Fiscal Impact

Adjustments will be made in the distribution between each student support accounts. However, no new net fiscal spending will result from the provisions of the bill.
