CHAPTER 4: EXECUTIVE CODE

II. Chapter Overview

A. Purpose

1. This Chapter elaborates upon the guidelines in Article II of the ASBSU Constitution to provide operational procedures and policies for the Executive Council.

B. Definitions

1. Bill: The written form in which Legislation is proposed to and considered by the Executive Council.
2. By-laws and Regulations: Govern and specify the actions of any ASBSU officer or body on a temporary or short-term basis. For example, specific Regulations for elections may only be relevant during one election period, and might be titled "Regulations for Fall 2011 Elections". By-laws and Regulations are considered synonyms. They are titled and referred to as "Regulations." Regulations supersede Code but not the Constitution.
3. Executive Committee: Any subordinate body established by the ASBSU President to ensure the functionality of ASBSU.
4. Law: A rule of conduct or an action prescribed by ASBSU that has a binding force. Laws are the result of legislation that is passed by the Executive Council by a simple majority, and approved by the ASBSU President, or that is vetoed by the ASBSU President and overruled by a $\frac{2}{3}$ majority of the Executive Council. Successful Legislation becomes Law.
5. Legislation: Any proposed rule of conduct or action prescribed by ASBSU that, if passed, would have a binding force'. This includes the ASBSU budget, By-laws, Regulations, Code, and Internal and Operating Rules.
6. Member: In this Chapter, a Member is anyone who has the ability to vote in Executive Council meetings.
7. Officer Opinion: The opinion of an Executive Council Member on a certain topic. Officer Opinions are at the request of the ASBSU President. They are presented to the Executive Council in the form of a Report.
8. Referendum: When ASBSU presents an issue to the student body for a vote. Issues may include but are not limited to changes to the ASBSU Constitution, pressing University or community matters, etc.

III. Rules of Procedure

A. Attendance

1. Prompt attendance at Executive Council meetings is required of all Executive Council Personnel.

2. Acceptable reasons for absence and tardiness are limited to death in the family, personal illness, University events, and other extenuating circumstances. Extenuating circumstances do not include work, classwork, or a regularly scheduled class period. The Student Ethics Officer in cooperation with the ASBSU President will determine what specific circumstances are acceptable reasons for absence on a case-by-case basis, if ze is asked to do so.
3. If an ASBSU Officer on the Executive Council plans to be tardy or absent, ze must notify the Chair of the meeting and the Student Ethics Officer in advance.
4. Quorum is determined by the attendance at the beginning of a meeting. Quorum is defined as more than one half (50%+1) of Executive Council Members.

B. General Rules of Meetings

1. All Members will maintain proper decorum at meetings. If a Member behaves disruptively, another Member may ask the Chair of the meeting to call for a vote to censure the disruptive Member. Censuring requires a two-thirds majority and voting will be conducted through anonymous paper ballots.
2. Regular meetings will be held weekly, at a consistent time that is established by the Executive Council for each semester. Special meetings of the Executive Council may be called to ensure the effective functionality of ASBSU.
3. Meetings will be run in a manner loosely aligned with Robert's Rules of Order. An agenda will be created for each meeting and must be publicly posted by 9:00 A.M. on the day of the regularly scheduled meeting. Agendas must be publicly posted as soon as possible for special meetings.
4. The President serves as the Chair of the Executive Council. In hir absence, the Vice President will serve as the Chair.
5. If the Rules of Procedure are violated, it is the right and responsibility of any Member, and of the Student Ethics Officer, to point out the error. Minor errors will be corrected as quickly as possible without unduly interfering with the business of the Executive Council. More significant errors will be corrected as quickly as possible as well, but the Member who points out the error will also be expected to file a Complaint with the Student Ethics Officer. The individual Member will decide whether or not it is appropriate to file a Complaint.
6. The Chair of the meeting is responsible for ensuring that the meeting agenda and Legislation are available for the Gallery. Members are responsible for using a computer or bringing their own copies.

C. Order of Business at Meetings

1. Quorum must be met to call a meeting to order.
2. Approval of Minutes
3. Members will have the opportunity to give reports in any order. It is not necessary for a Member to give a report at every meeting. Members should report on all committees at this time.

4. Old Business
5. New Business
6. The Chair will announce the next scheduled meeting of the Executive Council and then open the floor for announcements from Members, followed by announcements from the Gallery.

D. Business of the Executive Council

1. Executive Council business refers to Legislation and to any other item that requires a vote.
2. Bills must contain a heading with the identifying number, which includes the fiscal year, title, date of introduction, and the name and position of the member who introduces the Bill. The content of the Bill must include the purpose, rationale, provisions and when they go into effect, and the fiscal impact. Bills may include attached documents (e.g., a budget or contract).
3. When a Bill is presented for the first time, it will be read aloud in its entirety (not including attached documents). The Bill will be debated and discussed unless members unanimously feel the Bill does not require discussion during the first reading. The Bill will not be voted on unless it is put on the Fast Track.
4. During the debate and discussion of a Bill, a Member may move to put the Bill on the Fast Track. The Chair will immediately call for a vote, and a $\frac{2}{3}$ majority is needed to pass the motion. If a Bill is moved to the Fast Track, it will be voted on during that same meeting of the Executive Council.
5. When a Bill is not on the Fast Track, it is presented for the second time during "Open Business" of the next regular meeting. It will be read aloud in its entirety only at the request of two (2) Members; otherwise, only the Title and Purpose will be read. The Bill can be debated and discussed and will then be voted on unless a motion to table the Bill is made and passed by a simple majority vote.
6. Tabling is a motion to suspend debate, discussion, and voting on a Bill. Tabling will only be used when Members feel that more information is necessary to make a proper decision voting on the Bill. A motion to table a Bill can be passed by a simple majority.
7. If a Bill is tabled, a motion must be made and seconded during the "Open Business" of a meeting to re-open discussion of the Bill. The Bill is then treated as if it is its second presentation.
8. Bills will be made publicly available within 24 hours of being introduced to the Executive Council.
9. Referendum proposals will be written as Bills and require a $\frac{2}{3}$ majority vote to pass. Any Bill involving a Referendum must specify when and how the Referendum proposal is to be voted on, and must adhere to Election Code. If a Constitutional Convention proposes changes to the Constitution, those changes will automatically be presented to the students as a Referendum without needing additional Executive Council Legislation.

10. Members may make other motions unrelated to Legislation for the purpose of having debate and discussion on other issues. For example, a Member could move to confirm an appointment by the ASBSU President. These motions do not require consideration at a second meeting.
11. All motions require a simple majority to be passed unless explicitly stated elsewhere.
12. When the Chair calls for a vote on a motion, ze will ask Members to raise their hands in favor of the Bill, ask Members to raise their hands in opposition to the bill, and inquire if any Members choose to abstain from voting. Each Member may only vote once, and the Chair of the meeting may not vote except to break a tie. At the request of two (2) Members, a roll call vote will be taken in which each Member's vote is recorded individually with hir name.
13. Members who need to leave a meeting early for an acceptable reason (see Financial Code IV.B.8.) may vote by proxy. To do so, the Member must handwrite the motion (it does not need to be exact), indicate hir vote in favor or opposition, print and sign hir name, date the note, and hand it to the Chair prior to leaving the meeting. A Member must be present for the first part of the meeting in order to vote by proxy.
14. The Executive Council will not vote in any way other than explicitly stated in this Chapter. In case of emergency where holding a vote is crucial to maintaining the functionality of ASBSU, the President may call for a vote via email. Ze will be personally accountable to the Student Ethics Officer for this decision.
15. The number voting in favor, voting in opposition, and abstaining will be recorded in the minutes of the meeting.
16. Any Bill or motion that involves Code or Regulations will be presented to the Chair of the body it affects, though it does not need approval outside the Executive Council.
17. Formatting and other non-substantive changes to Code may be made without Legislation. The Vice President is responsible for maintaining Code and making such changes as necessary.
18. A first draft of the annual budget will be introduced to the Executive Council as a Bill prior to spring break.

E. Records

1. Minutes will be recorded at every regular and special meeting of the Executive Council. Minutes will accurately reflect issues discussed at the meeting and will be publicly available within 48 hours of an Executive Council meeting.
2. If correspondence is directed to the Executive Council it will be the responsibility of the President, or hir designee, to review the correspondence. The President will report on correspondence during Executive Council meetings.
